## Dynamic Catholic, Alive! – The Real Presence

As we celebrate the Most Holy Body and Blood of Christ, we reflect on the importance of the Eucharist to the life of the Church. The Church teaches that in the Eucharist Christ is present body, blood, soul, and divinity. The Eucharist, which was instituted by Christ on Holy Thursday, is the “source and summit of all Christian life” (*Compendium*, 274). How do you approach the Eucharist? Have you gone to Adoration recently?

**Deacon's Corner**

At Pentecost upon receiving the gifts of the Holy Spirit the Apostles went out to all the nations preaching, healing, and doing all kinds of works in Jesus's name. Today we celebrate the feast of Corpus Christi, the Body of Christ. We too have received in the Sacrament of Confirmation and the Sacrament of Baptism the gifts and are called upon to live them out.

There is a Christian rock song lyric that says "if we are the Body, why aren't His arms reaching?" Well what would be your answer? For me I wonder how the world has affected us to the degree that we look to others to be Christ, because we have far too many pressing problems of our own or do we?

"If we are the Body why aren't His hands healing?" Well why aren't they? Maybe it is because others have convinced us we lack the healing power, the power to change a person's life for the better.

"If we are the Body why aren't His words teaching?" Well do we have an answer? What is stopping us? We teach not by what we say but what we do.

On this the feast of the Body of Christ, let us open our hearts to the gifts of the Holy Spirit and live out our mission as the Body of Christ. Let us not focus on our problems but work to help others, and allow God to work his saving power in our lives. Let us live out our days reaching out to others, healing others, teaching others and in return trust that He is working in our own lives.

May the Peace of Christ be in you,

Deacon Mark

Thank you Lord Jesus, Come Holy Spirit
