## Dynamic Catholic, Alive! – The Virtues

A virtue, as opposed to a vice, is a habitual and firm disposition (quality, or condition) to do the good. Virtues can be human or theological. The 4 principal (cardinal) virtues are prudence, justice, fortitude, and temperance. The theological virtues are faith, hope, and charity. Are you cultivating virtue in your life? Is there a particular vice that you struggle with? “The goal of a virtuous life is to become like God” (St. Gregory of Nyssa).

**Deacon’s Corner**

“Go into the whole world and proclaim the gospel to every creature.” These are the words spoken by our Lord prior to his ascension. How often do you think about what impact you have on the world?

To serve a cause greater than oneself; a personal mission statement if you will, but one that has driven me for as far back as I wish to go. We have been given but one life; it can be a life with meaning or simply a life. Not a life lived, for in living a life it must have meaning. So, again I ask you, what impact have you made on the world?

It is a question worth pondering on this Ascension Sunday and one worth contemplating daily. For in doing so, you work to fulfill the wish of our Lord, that we should proclaim the gospel; to do so is to live a life that impacts the world, for to live a life as a follower of Christ is to live a life as part of the body of Christ.

Jesus ascended into Heaven and through his body, the Church here on earth he continues to work throughout the world. If you are a follower of Christ, if you are Catholic and cannot answer what impact you have on the world then I ask you this, how are you living out your faith each day?

May the peace of Christ be in you,  
Deacon Mark

Thank you Lord Jesus, Come Holy Spirit
