ST. ANNE CHURCH FRENCH VILLAGE, MISSOURI

Church Cleaning Team #1 – S. Byington, L. Johnson

Please Welcome

Please welcome Father Mike May who will celebrate the Masses with us while Father Bill has a much deserved vacation. Father May is a Jesuit priest who teaches math at St. Louis University. He also lives in a freshman dorm with 600 of his closest 18 year old friends. He is known for the cookies he bakes for the students. Last year Father May visited Bonne Terre once a week to teach math to both the staff and the inmates at the ERDCC.

Advent Family Event

All families are invited to attend our Advent Family Event on Sunday, November 22 after the 11:00 Mass in the school. We will be making an Advent wreath and other Advent/Christmas crafts in preparation for the Advent Seasons. Reservations are required to insure we have materials for all attending. Please call the rectory no later than November 15th to make your reservation.

Catholic Campaign

Next week's collection for the Catholic Campaign for Human Development needs your help. CCHD was founded to end the cycle of poverty in the United States by funding organizations that help individuals help themselves. With the tradition of improving education, housing situations, and community economic development, CCHD continues to make a positive impact in communities worldwide. Your contribution will defend human dignity and reach out to those living on the margins.

Giving Tree Ornaments

We will have our Christmas Giving Tree Ornaments available after Thanksgiving. Your wonderful generosity gives a child in need a special Christmas. Please remember that these children do not receive a Christmas gift if you choose an ornament and do not bring back a gift to put under the tree. The limit is \$20.00 maximum per Christmas gift. Bring your wrapped presents (with the giving tree tag attached) by **Friday, December 18th**. Thank you.

Deacon's Corner

Peace be with you!

I recently took part in a three day retreat for the St. Louis and surrounding area first responders. Leading a breakout session we came face to face with a few people that saw all that was going on in the world as a sign of, as one person put it, the end of the world as we know it. I am wondering, how many of you reading this right now feel that way?

For those of you who spent this summer with us studying the bible on Wednesday nights do you feel the same way or do you remember how often history repeats itself, even biblical history?

The five stages: sin, servitude, supplication, salvation, and silence. In the Old Testament this is repeated seven times until the people cry out. And so we endure until we are ready to cry out.

In every generation, the elders look at the youth and wonder, how will they ever survive? And the youth look at their elders and wonder, how did they ever survive?

As we face the challenges of today, we must never forget that in every cycle and in every generation one thing remains constant, God the Father, God the Son, and God the Holy Spirit. Tomorrow is unknown to all of us, God only knows, so what are we left with, the greatest gift there is, the present. And that is why the "now" is called the "present" for that it is. May the peace of Christ be in you,
Deacon Mark
Thank you Lord Jesus, Come Holy Spirit
